MetaGrow™ TerroirTea

Guaranteed Analysis:

Total Nitrogen (N)	0.01%
0.01% Water Soluble Nitrogen	
Soluble Potash (K ₂ O)	0.01%

Derived From: Fish hydrosolate and seaweed

Product Purpose: Fertilizer to promote plant growth

MAY TANK MIX WITH FERTILIZERS FOR UP TO 24 HOURS.
CHECK COMPATIBILITY BEFORE MIXING WITH PESTICIDES OR FUNGICIDES.
STORE OUT OF DIRECT SUN.

Directions for use: MetaGrow™ TerroirTea is a liquid and can be applied as a foliar spray or through most irrigation systems, in transplant water, sprayed on a berm, or water run in furrow irrigation. TerroirTea will pass a 100 mesh filter (149 micron) so check for spray equipment compatibility. Use rates will vary from 2-6 gallons per acre for foliar and 2-25 gallons per acre for soil applications. For foliar applications, dilute TerroirTea with 5 gallons of water (or more as required for good spray coverage) for each gallon of TerroirTea. To prevent excessive foaming during tank mixing, fill tank 1/2 to 3/4 full before adding TerroirTea and avoid splashing of water during filling. If injecting into an irrigation system, irrigate normally injecting the desired rate of TerroirTea. With other application methods, dilute the TerroirTea with 4 parts water (or more) for each part of TerroirTea. When soil applied, follow the application with additional water to ensure the TerroirTea is washed into the soil.

NOT FOR USE IN ORGANIC CROP AND ORGANIC FOOD PRODUCTION

CAUTION: MAY BE HARMFUL IF SWALLOWED. MAY CAUSE EYE AND RESPIRATORY IRRITATION. MAY CAUSE INTESTINAL DISTRESS IF SWALLOWED. Avoid breathing spray or mist. Avoid contact with eyes. Keep container closed when not in use. **FIRST AID:** If swallowed, call a physician immediately. Do not induce vomiting unless directed by medical personnel. If in eyes, rinse with water for at least 15 minutes. Remove contact lens after first 5 minutes. If inhaled, move person to fresh air. If on skin, wash thoroughly. If irritation persists for any exposure, call a physician. **KEEP OUT OF REACH OF CHILDREN.**

LIMITED WARRANTY: Sustainable Growing Solutions, LLC makes no implied or express warranties other than that the Product is consistent with the label's derivation statement and Guaranteed Analysis and is reasonably fit for the purpose set forth on the label when used with appropriate application rates for the soil and seasonal conditions where applied. Because a purchaser's handling, rate, time, and place of application are not within the control of Sustainable Growing Solutions, LLC, our liability to purchasers of this product is LIMITED to replacement of any Product not conforming to this Limited Warranty.
